

COMMUNITY MEDIATION PROJECT MILITARY AND BUSINESS OUTREACH

Joe and Pat Stone

Joe and Pat are career missionaries who invested most of their time with the Navigators before working for a few years with Christian Military Fellowship. In 2003, they partnered with us to reach military members, business people, and their families in Colorado Springs, CO. Joe works with men, Pat with women, and both with couples and families. Pat is also a corporate chaplain. They are skilled disciple-makers with decades

of experience and fruitful ministry. They are especially adept with Scripture memorization, Bible study and helping individuals become more fully committed followers of Jesus Christ.

The Stones will appreciate your prayer and support as they endeavor to reach folks in their locale with the Gospel. To contribute financially, make checks payable to "CMP," designated to the Stones and sent to our Greeley PO Box. We can also arrange for direct deposits. If you would like to use a credit card or PayPal, please do so via the Stones PayPal "Donate" button on our website.
